Let Picasso Color Your Life

甜品烘培坊
SINCE 2020

現代時尚香檳金為主色的「歡樂鐘」營造精緻的微奢華質韻，具體呈現出開心、歡樂及節慶的意象。

The color of champagne gold provides a hint of modernity to the "Clock of Joy", creating a feeling of happiness and festivity.

嚴選天然食材，藉由雙手的溫度創造出暖心的甜點，彷彿和畢卡索談一場戀愛。
Let Picasso Color Your Life

With a wide selection of natural ingredients for the bakery, our chefs have all they need to create the dessert of a lifetime. *Let Picasso Color Your Life*

The Belgian Luxury Royal Family Balance Siphon Coffee maker combines the basic forms of steam, gravity, and pressure to brew a decadent cup of coffee.
